Year 10 LEEP Program

In Year 10, students are encouraged to explore a range of pathways in preparation for senior studies. The structure of LEEP at Year 10 enables students to access enrichment opportunities in areas of identified strengths and interests. Students are able to design specifically tailored programs that build upon their academic talents in literacy and/or numeracy areas.

All current Year 9 students are eligible to apply for the advanced options offered at Year 10.

Further information on the 10 LEEP Program can be sought from the Deputy Principal, Mr Jonathan Rowe.
