

## Monivae College

# Adobe Software BYOD User Agreement

This agreement is applicable to all:

1. Students in Years 7-12 who wish to have Adobe Creative suite installed on to their bring their own device.

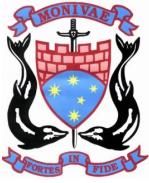

Monivae College has entered into an agreement with the Catholic Education Office to provide students with BYOD the ability to install the Adobe Suite on to their device whilst they are an enrolled and attending student with Monivae College.

The software is required to be installed by an MITS Staff member and only on an individual device the student owns.

The software is required to be removed by an MITS staff member, when the student ceases enrolment or attending Monivae College.

Failure to have the software removed will result in the full amount being invoiced to the student account.

MITS will provide installation and update support to the Adobe suite but not will provide professional development or application usage support.
