YEAR 12 STUDENTS

EARLY ENTRY PROGRAMS

Early entry programs enable universities to make course offers to Year 12 students based on factors other than just the ATAR.

You can apply for as many early entry programs as you like, and most course offers can be deferred. Year 12 students are encouraged to meet with their career adviser to map out the best early entry programs to apply for based on their course interests.

For example, John is interesting in studying nursing at university.

The following Victorian universities offer early entry for nursing:

Victoria University
La Trobe University
Australian Catholic University
Federation University.
Charles Sturt University
CQUniversity (online)

He may also be eligible for the following two access programs:

Monash University Guarantee Program
RMIT University SNAP program.

John will need to carefully plan for the following:

- Application dates
- Application process for each program
- VTAC application
- SEAS application

And organise (if relevant)

- School recommendation form
- Year 11 academic reports

The following universities have early entry programs open:

VICTORIA

Swinburne University
RMIT University
La Trobe University
Federation University
CQUniversity
SAE Creative Media Institute

NSW

University of New England
Charles Sturt University
Southern Cross University
CQUniversity
SAE Creative Media Institute

CANBERRA

Australian National University

Download early entry guides via
<https://slmcareerresources.edublogs.org/>

ADF GAP YEAR

Current Year 12 students can apply for a 12-month position in the Air Force, Army or Navy to begin in 2024. To explore options and start your application, visit <https://bit.ly/2uW1hzi>

AUSTRALIAN FEDERAL POLICE

2024 Directions Program

Applications are open for the 2024 Directions Program, an integrated 12-month employment and development program for people of First Nations background. Successful applicants will get to work in a variety of roles including canines, investigations, media, cyber security, intelligence and more.

The program is open to First Nations individuals aged 18 or older, with applications closing Sunday, 28 May 2023,
<https://bit.ly/42IE6VV>

MEDICINE, DENTISTRY, ORAL HEALTH

Year 12 students who are planning to sit the UCAT ANZ have until Wednesday 17 May to register for the test, www.ucat.edu.au

HIGH ACHIEVER SCHOLARSHIP PROGRAMS

University of Technology Sydney

The University of Technology Sydney co-op scholarship program is now open for the Women in IT and Engineering, Bachelor of Accounting, and Bachelor of Information Technology for the 2024 intake. For information on the programs and to apply, go to www.uts.edu.au/study/scholarships

UNIVERSITY OF NSW (UNSW)

The UNSW Co-op Scholarship program is now open for high achieving students who plan to study in 2024 at the University of NSW. The scholarships are worth almost \$20,000 per year, www.coop.unsw.edu.au

You can watch videos showcasing Co-op Scholarship alumni via <https://bit.ly/3fbrjnA>

DIGITAL APPRENTICESHIP PROGRAM

Year 12 students can apply for the Australian Government Digital Apprenticeship program for the 2024 intake. Visit <https://careernews.click/digital> to check for application dates when they are available.

DEFENCE CIVILIAN UNDERGRADUATE SPONSORSHIP

See page 3 of this document under the heading 'National Security Careers'.

YEAR 11 STUDENTS

2024 NATIONAL YOUTH SCIENCE FORUM (NYSF)

In Year 11? Love STEM? Want to engage in a life changing experience? You should consider applying for the NYSF.

This is a two-week on-site and digital program where students are immersed in hands-on science activities, lab experiments, field trips and meet researchers who are leaders in their field.

In-person STEM visit days and events will be held at major city hubs across the country, enabling students to meet each other and network with like-minded peers.

A continuous program of digital events will run alongside the in-person events meaning the program is accessible to all.

The program will be held during January 2024. Applications close Friday 1 July. For more information and to apply, go to www.nysf.edu.au

YEAR 9 - 12 STUDENTS

THE VICTORIAN INDIGENOUS ENGINEERING WINTER SCHOOL

The Victorian Indigenous Engineering Winter School (VIEWS) is an exciting program for Year 10 - 12 Indigenous students from across Australia who are interested in STEM and engineering. The residential program will run in Melbourne between 1 – 8 July 2023. For information and to apply for this program, visit <https://careernews.click/ee9762>

WORK EXPERIENCE REMINDERS

The following organisations are offering work experience:

CitiPower and Powercorp (Yr 10 – 12)
Electrical Engineering, IT and Electrical Trades
For female-identifying and non-binary students
<http://bit.ly/3yXK1tm>

Swinburne University (Yr 9 & 10)
Astronomy & Astrophysics
<https://bit.ly/405prmN>

Australian Defence Force (Yr 10 – 12)
There are many exciting roles available,
<http://bit.ly/3DaOThp>

THE SANTOS SCIENCE EXPERIENCE

Year 9 and 10 students are welcome to apply for amazing science programs running at different locations across Victoria, NSW and Canberra. These events are not to be missed. Research dates and locations via www.scienceexperience.com.au

SHECOMMERCE

Female and non-binary students in Years 9 – 12 are invited to apply for the sheCommerce program at The University of Melbourne. There are 40 places available for students who are passionate about leadership and business. Applications close 21 May, <https://fbe.unimelb.edu.au/shecommerce>

ALL STUDENTS

EXPLORE YOUR GLOBAL UNIVERSITY OPTIONS

Are you interested in learning about universities from around the world? Crimson Education has developed a YouTube channel that profiles global universities. You can access the channel at <https://bit.ly/2qcWRiX>

RESEARCH TAFE AND UNIVERSITY COURSES

TERTIARY ADMISSION CENTRES

State-based Tertiary Admission Centres process course applications on behalf of universities, some TAFE institutes, and some private providers. You can research courses, prerequisites, selection criteria and ATAR profiles for the 2023 intake.

Courses for the 2024 intake will be updated mid-year but you can use the current information as a guide. Websites are listed below.

AUSTRALIA WIDE SEARCH

Course Seeker is a fantastic website that enables students to explore courses for each state in the one website.

You can research courses, prerequisites, selection criteria and ATAR profiles for the 2023 intake. Information for the 2024 intake will be updated soon, www.courseseecker.edu.au/

TAFE

MySkills is the national directory of vocational education (VET) organisations and courses. You can search for courses or occupations and use a location search.

You can also browse courses and occupations by industries such as health & community services, manufacturing & engineering, and arts & culture. www.myskills.gov.au

State	Tertiary Admission Centre	Website
Victoria	Victoria Tertiary Admissions Centre (VTAC)	www.vtac.edu.au
New South Wales & Canberra	Universities Admissions Centre (UAC)	www.uac.edu.au
Tasmania	University of Tasmania	www.utas.edu.au
South Australia & Northern Territory	South Australia Tertiary Admissions Centre (SATAC)	www.satac.edu.au
Queensland	Queensland Tertiary Admissions Centre (QTAC)	www.qtac.edu.au
Western Australia	Tertiary Institutions Service Centre (TISC)	www.tisc.edu.au

MATHS CAREERS

Are you a maths enthusiast looking for an exciting career? Employers across a variety of industries are searching for individuals with analytical and problem-solving abilities to make sense of complex information and drive business success.

From finance and economics to healthcare and engineering, with a maths degree, you'll enjoy competitive salaries and a wealth of career opportunities. Don't wait - invest in your future and set yourself up for a successful and fulfilling career in the exciting world of maths!

The following are fantastic maths career websites:

Australian Mathematical Sciences Institute, <https://careers.amsi.org.au/>

CSIRO – what can you do with maths? <https://blog.csiro.au/mathematics-careers/>

Refraction Media – Careers with Maths, <https://careerswithstem.com.au/read-it-here/>

Myfuture – Maths Careers Bullseye, <https://myfuture.edu.au/>

MOTORSPORTS

Looking for a career that's fast paced and adrenaline-fueled? Consider a career in motorsports! From vehicle mechanics to driving, there are a variety of exciting opportunities in this industry. Get ready to live life in the fast lane and pursue your passion for speed and competition.

The following two institutes offer motorsports courses in Victoria:

AUTOMOTIVE CENTRE OF EXCELLENCE
Kangan Institute
Melbourne Docklands, Victoria
www.kangan.edu.au

MOTORSPORTS TRAINING AUSTRALIA
Wodonga Institute of TAFE
Wodonga, Victoria
www.wodongatafe.edu.au

CAREERS IN IT

Monash University

Are you interested in IT, but not sure which course to choose? The Monash University 'Find My FIT' quiz is a fun way to discover which IT course is your best fit, from data science to games development, <https://bit.ly/3513fmt>

Careers Foundation

This amazing website features an interactive ICT career wheel. Occupations are broken down into the following sections:

Digital design	Marketing
Security	Industry
Software	Hardware
Content	

www.careersfoundation.com.au

NATIONAL SECURITY CAREERS

The Australian Signals Directorate (ASD) defends Australia from global threats and advances the national interest by providing foreign signals intelligence, cyber security and offensive cyber operations, as directed by the Australian Government. You can work for ASD through university or apprenticeship pathways, www.asd.gov.au/careers

ASD Cyber Security and Robotics Work Experience

Applications are now open for this incredible program running at the Australian Cyber Security Centre, Brindabella Park, Canberra. Year 11 and 12 students are welcome to apply as well as high achieving Year 10 students. For information on this unique opportunity visit <https://careernews.click/cyber>

Defence Civilian Undergraduate Sponsorship

ASD sponsors computer science or cyber security degrees through the Defence Civilian Undergraduate Sponsorship program. The program is in partnership with the University of NSW, Canberra, and the Australian Defence Force Academy. The sponsorship provides financial contributions towards your studies, and work placements at ASD, <https://bit.ly/3Bbz0Wk>

NATURAL HEALTH COURSES

Do you have a passion for wellness? A career in natural health might be just what you're looking for! With opportunities in fields like acupuncture and nutrition, you can help people heal and live their best lives. Natural health careers offer a fulfilling and exciting way to make a real difference in the world. The following two colleges are located in the Melbourne area:

Endeavour College of Natural Health

Courses: Acupuncture Therapies, Massage, Naturopathy, Nutritional and Dietetic Medicine, Chinese Medicine, and Complementary Medicine, www.endeavour.edu.au

Southern School of Natural Therapies

Courses: Health Science, Clinical Nutrition, Chinese Medicine, Western Herbal Medicine, and Naturopathy. The School is part of Torrens University and Think Education, www.ssnt.edu.au

CAREERS WITH THE AUSTRALIAN FEDERAL POLICE (AFP)

A career with the AFP can lead to working with the community, across the country or around the globe.

Whether in a non-policing support role, investigating transnational crime, combatting terrorism and people smuggling, investigating crimes against the ACT community and patrolling its city and suburban streets, providing high visibility protection to commonwealth infrastructure sites and establishments, or heading overseas to liaison posts or capacity building missions, you'll be on the frontline, contributing to keeping the Australian community safe.

There are three main employment pathways:

- Entry Level Sworn Recruit
- Lateral Police Recruit
- Professional (Non-Policing) Role

Recruitment requirements

Visit the Application and Recruitment Process page for detailed requirement information, www.afp.gov.au/careers

APPRENTICESHIP AND TRAINEESHIPS

Apprenticeships and traineeships are the ultimate win-win. Not only will you get paid while learning and avoid the burden of student debt, but you will gain practical skills, on-the-job experience, and a portable qualification that can lead to a successful career.

Forget about the traditional classroom setting, apprenticeships and traineeships offer an exciting hands-on learning experience. Plus, they open doors to a range of industries and job opportunities, from trades and construction to healthcare and hospitality.

So, if you're looking for a rewarding and dynamic career path, don't hesitate to choose apprenticeships or traineeships as your ticket to success.

Australian Apprenticeship Pathways

If you're keen to learn about apprenticeships and traineeships, Australian Apprenticeship Pathways is an excellent website to explore. You can undertake apprenticeship aptitude tests, find local apprenticeship and group training centres, and learn about different trade occupations, www.aapathways.com.au/

CAREERS IN SPORT

My Career Match has developed an excellent 3-page guide to careers in sport. You can download the resource at this link - <https://bit.ly/2UwkqB8>

HOW PETER'S LIFE WAS SAVED BY A PODIATRIST

The University of Newcastle has released a story about a man named Peter whose life was saved by a visit to their podiatry students. Podiatrists play a critical role in early prevention and detection of significant lower limb pathologies. By examining the foot and lower limb, podiatrists can identify potential issues before they become serious problems. Read this amazing story and learn about the life saving skills of podiatrists via <https://bit.ly/3HVEsQM>

Download information on podiatry courses via <https://slmcareerresources.edublogs.org/>

UPCOMING CAREER EVENTS

One of the best ways to develop ideas for occupations and courses is to participate in career events. Check the Career Newsletter for upcoming events and join social media accounts for any higher education provider or training institute you are currently interested in to ensure you are up to date with events. The following are events you may be interested in.
