Schools Recommendation Schemes (SRS)

Schools Recommendation Schemes (SRS) are one way NSW and Canberra institutions make early offers of undergraduate admission to Year 12 students, using criteria other than (or in addition to) the ATAR.

Participating institutions may use one or more of the following criteria listed when considering your application:

- your Year 11 studies
- your school's rating of your abilities in areas of study
- your school's rating of your aptitudes
- your Educational Access Schemes (EAS) application (if applicable)
- institution-specific documents (if applicable).

Institutions will then make offers based:

- solely on SRS criteria
- on both SRS criteria and ATAR/selection rank
- on SRS criteria and ATAR and equity criteria.

Each institution has its own policy for determining SRS eligibility and making offers. For example, you may also have to submit an EAS application, or attend a school in a particular region.

SRS is not available for all courses. The institution-specific SRS criteria detail any exceptions.

Participating institutions

- Australian Catholic University
- Charles Sturt University
- International College of Management, Sydney
- Macquarie University
- National Art School
- SAE Creative Media Institute
- University of Canberra
- University of New England
